School Drill Documentation

Type of Drill	Number/Schedule
Fire	Five drills – Three must be completed by December 1
Tornado	Two drills – One must be completed in March
Safety/Security	Three drills – One must be completed prior to December 1 and one after January 1 • One drill shall include security measures that are appropriate to an emergency, such as the release of a hazardous material. • One drill shall include security measures of a potentially dangerous individual on or near the school premises. • Seek input from the administration of the school and local public safety on the nature of the drill.

Note - At least one of the drills must be conducted during a lunch or recess period, or at another time when students are gathered but not in classrooms.
