## **DAILY SCHEDULE**

School in session Monday-Thursday

8:00 AM School Starts

3:00 PM School Ends

### **ABSENCES, EXCUSES, AND MAKE-UP WORK**

A phone call is required for each student who is/has been absent. Phone calls must be made to the school at 231-305-6680 **on the day of the absence** in order for the absence to be considered excused. Please include the student's name and reason for absence.

In accordance with the Kent County ISD's transition to common definitions, Lighthouse Academy has adopted the use of "counted" versus "uncounted" absences. The first five absences **FOR THE ENTIRE SCHOOL YEAR** for a student will be considered "uncounted". After the initial 5 absences, any following absences will be "counted" and monitored in relation to truancy law. After a student misses a total of five (5) days, a letter will be mailed to the address on file for the student. After the first five absences, any further absences will result in phone calls and other interventions that may include but are not limited to: meetings with the guardian and student, an attendance contract, home visits, emails, etc.

After a student has missed 10 or more days, a referral will be submitted to the Kent ISD. This referral is then processed by the Attendance and Truancy Officer. It is our sincerest hope that interventions will improve the student's attendance prior to this action being taken.

The state defines a truant student as missing more than 10 school days in an ENTIRE school year, not just in a trimester/semester. The state also defines a student as "chronically absent" if they miss more than 10% of scheduled school days from their enrollment to date. The terms "excused" and "unexcused" will still be used for the sake of missing work in the classroom

Excused absences include: funerals, medical or counseling appointments, court meetings, college visits and illness. If absence is due to illness, please report the nature of the illness.

- 1st unexcused absence will result in a call home.
- 2nd unexcused absence will result in a call home.
- 3rd unexcused absence will result in a meeting with staff and Principal to discuss the reasons for the multiple absences.
- 10 or more unexcused absences may result in your student no longer being eligible to earn credits in their classes and/or a disenrollment from Lighthouse Academy.

Whenever possible, students will not be sent home from school for any reason without parent/guardian consent. We will have an emergency authorization form on file with contact information.

Students are considered truant when a pattern of unexcused absenteeism is noticed by the Principal. The parent/guardian will be notified. If the problem is not addressed, a referral will need to be made to the Kent ISD Office of Truancy & School Attendance, according to Michigan Law. This is applicable to all students under 16 years of age.

### **LATE WORK POLICY**

Late work will be accepted for one calendar week (example: If due on Monday, late work will be accepted until the following Monday.)

## **Extended Absences**

If an extended absence is anticipated, the teacher and Principal should be notified in writing in advance. If an absence extends beyond three days, a note from a doctor, probation officer, etc. is required. When a student is absent as a result of a family vacation, it is the responsibility of the student and the parent/guardian to keep the student up-to-date in his/her school work. The teacher is not required to prepare student homework prior to the student's leaving. It is the student's responsibility to find out which assignments, quizzes, and tests were missed. The teacher will decide when make-up work and tests will be given. Students will be given one day for each day absent to complete all assignments, quizzes, and tests.

Note: Ten or more excused/unexcused absences may result in your student no longer being eligible to earn credits in their classes. Thus, having students out of school for vacations while school is in session is discouraged.

The school administration may contact the parent/guardian if a student has a pattern of multiple absences (10 or more) within a trimester. An attempt to make an intervention plan will be made. Should the home not respond to the school's attempts to make a plan and/or the plan not be followed by the student and/or parent/guardian, and should no action be taken to rectify the problem within a reasonable time frame, the school may send notice of the decision to un-enroll the student.

## **Tardies**

Students are expected to be at school on time each day. If a student will be tardy due to an excusable reason (appointment, not feeling well, etc.), parent/guardian must call the school. Timeliness is a good work habit to develop as well as a good school habit, so the following policy will be enforced for each marking period:

- 1st unexcused tardy through 3<sup>rd</sup> unexcused tardy: No Penalty
- 4th unexcused tardy: Staff will meet with student

## **ILLNESSES DURING SCHOOL**

If a student becomes ill during the school day, the parent/guardian will be notified. The school will not release a student unless there has been authorized consent.

## **CONTROL OF CASUAL CONTACT COMMUNICABLE DISEASES AND PESTS**

Because a school has a high concentration of people, it is necessary to take specific measures when the health or safety of the group is at risk. The school's professional staff has the authority to remove or isolate a student who has been ill or has been exposed to a communicable disease or highly transient pest such as lice.

Specific communicable diseases include the following: diphtheria, scarlet fever, strep infections, whooping cough, mumps, pink eye, measles, rubella, and other conditions indicated by the Local and State Health Departments. Any removal will be for only the contagious period as specified in the school's administrative guidelines and with the guidance of the Health Department.

Parents/guardians are asked to notify the office if their child has contracted a communicable disease. The school is obligated to communicate to other families and students the possibility that they may have been exposed to a communicable disease.

## **STUDENT WELL-BEING AND EMERGENCY INFORMATION**

Student safety is a responsibility of the staff. All Lighthouse Academy staff are familiar with emergency procedures such as fire and tornado drills, lockdown procedures, and accident reporting procedures. Should a student be aware of any dangerous situation or accident, s/he must notify any staff person immediately.

All students must have emergency contact information completed and filed in the school office. A student may be excluded from school until this requirement has been fulfilled. If your daytime phone number changes anytime during the school year, please promptly notify the office. We need to reach you as quickly as possible if an emergency occurs.

## **SCHOOL CLOSING & DELAYS**

At times, Lighthouse Academy may close or delay school due to inclement weather or on other rare occasions. Eagle Village personnel will be contacted on the decision to delay or cancel school. If the school district in which the student resides has delayed or canceled school, the parent/guardian may call the school office to indicate their student is staying home from school that day, and this absence will be considered excused.

## **COMMUNICATION WITH SCHOOL**

Staff will work in partnership with the student's parent/guardian to ensure a successful educational placement. Staff will contact parents/guardians on a regular basis to provide reports on the student's progress. Involvement of the parent/guardian (in the form of visits, problem-solving meetings, or other supportive activities) is encouraged and may be necessary at times.

Parents/guardians who have concerns are encouraged to speak with staff in person or call the school phone to discuss them. Communication is encouraged and welcome. The school values parental involvement in the student's education. Upon staff request for a phone call and/or face-to-face conference, parents/guardians are expected to respond to the request for a meeting as soon as possible. School newsletters are sent out and school family gatherings occur periodically to build a sense of community amongst the school staff, students, and their families.

## **SPECIAL EDUCATION**

If a special education student is recommended for Lighthouse Academy, an Individualized Education Program (IEP) team meeting must be held. A representative from the student's resident district should attend and provide input regarding the student's educational needs. The IEP team will determine whether goals/objectives, accommodations, and/or related service support are needed for the student to progress in the general education curriculum.

## **STUDENT SUPPORT SERVICES**

**Guidance Office**

Students access the Guidance Office for personal counseling, academic counseling, testing, test interpretation, career information and planning, college applications, and special program opportunities.

### **Social Work Office**

The Social Work Office provides consultation, collaboration, and advice to students, their family members, and school staff regarding students' social, emotional, and behavioral status impacting learning, development, mental health, and school success. The Social Work Office is responsible for the identification of issues that may interfere with student development, learning, and school success. Duties may include providing instruction and modeling to student, parent, and school staff in the implementation of effective behavior intervention strategies and techniques. The Social Work Office provides liaison, coordination, and case management services with schools, families, and other resources to influence positive school outcomes for students. Additional services include crisis prevention, planning, and intervention, including assessments of the impact of trauma on development, learning, and school performance.

### **Transitions Office**

Students access the Transitions Office to help identify, prepare, and use the skills to be successful during high school, after high school, and into the workplace. We offer support in attaining job skills, identifying careers, selecting and applying to colleges, and planning for the future. Students can explore vocational training. They receive additional support through the Workforce Investment Act program. We are partnering with local businesses to give students opportunities to learn job skills and to be successful in the workforce.

## **CLASS PLACEMENT**

Class placement is based on the total number of credits a student has earned during high school by the start of the current school year.

Freshman 0 to 4.5 credits  
 Sophomore 4.5 to 9 credits  
 Junior 9 to 13.5 credits  
 Senior 13.5 credits & above (18 total credits needed to graduate)

GPA's (Grade Point Averages) are figured cumulatively at the end of each trimester. Credit (CR) and No Credit (NC) are not calculated into the formula for GPAs. The following grading policy has been implemented by the Board of Lighthouse Academy.

Lighthouse Academy will use the following grading scales:

|            |                  |    |        |    |
|------------|------------------|----|--------|----|
| 97-100% A+ | 87-89% B+ 77-79% | C+ | 67-69% | D+ |

| 90-93% A-  | 80-83% B- 70-73% | C- | 60-63% | D- |

Note: If your student is taking a class on the Edgenuity Program, it requires students to earn 80% or better in order to pass. (If you are taking an Edgenuity class, you will need to supply your own headphones for the guided instruction.)

#### HONOR ROLLS

Honor Rolls are used to identify and celebrate student achievement at Lighthouse Academy. Several lists will be generated at the end of each Trimester based upon student academic achievement, attendance history, and behavior. These lists include:

**Honor Roll** (Three Levels)

- 1) Pass All Classes (PAC Club)
- 2) All A/B Honor Roll
- 3) All A Honor Roll

**Behavior**

- 1) 5 RTCs or less

**Attendance**

- 1) Perfect Attendance for all days in all classes

**Lighthouse Academy List of Awesomeness**

- 1) Must be on all three previous lists

Rewards will vary upon student achievement, but may include lunch with the board members, field trips, a school t-shirt, etc. The school guidance counselor, along with student advisors and the head of the school, will recommend who is placed on the list per term.

**GRADUATION REQUIREMENTS**

The Michigan Merit Curriculum requires students entering 8<sup>th</sup> grade in 2006 to obtain a minimum of 18 credits for graduation, which could be met using alternative instructional delivery methods such as alternative course work, humanities course sequences, career and technology courses, industrial technology or vocational education courses, or through a combination of these programs. In addition, students entering 3<sup>rd</sup> grade in 2006 (Class of 2016) will need to complete two credits of a language other than English in grades 9-12, OR an equivalent learning experience in grades K-12 prior to graduation.

| <b>Department</b>         | <b>Credits</b> | <b>Clarification</b>  |
|---------------------------|----------------|---|

| Science                   | 3.0            | Biology, Physics or Chemistry, and one other science course.  |
| Social Studies            | 3.0            | Students must take Civics, Economics, World History and Geography, and U.S. History and Geography. AP credits can act as substitutes or additional elective credit. |

|-----------------|--|---|
| Online Learning |  | Throughout the high school required course of study, students must use technology as part of a course, as the primary means, or as an integrated learning experience. |
|-----------------|--|---|

Successful completion of these graduation requirements is necessary to earn a diploma from Lighthouse Academy. Students with disabilities are assisted in meeting these graduation requirements as appropriate and as specified in their Individualized Education Program (IEP). Students with disabilities who are unable to meet these graduation requirements, or for whom these requirements are deemed inappropriate, may request a personal curriculum. A curriculum guide is available for parents to read if they have an interest in the courses offered and the descriptions of classes. Also available for parents to read is a binder with information about the sexual education unit offered within the health class.

**COLLEGE ADMISSION REQUIREMENTS**

It is recommended that applicants to competitive colleges successfully complete the following high school program, including as many Advanced Placement (AP) offerings in each subject as possible:

- 4 years of English
- 4 years of Mathematics
- 4 years of Social Studies
- 4 years of Science
- 2 years (minimum) of Foreign Language

**TESTING**

All students will be taking NWEA MAP district assessments three times a year. (Fall, Winter, Spring)

Students in 3rd-8th, 11th-12th will be taking M-Step in April. Students in 8th, 9th, 10th will be taking PSAT in April.

All juniors will automatically take the SAT and Workkeys in April as part of the Michigan Merit Examination.

**TRANSFER STUDENTS**

When students transfer from another school, their previous passing class grades will be added to their transcript at Lighthouse Academy. This means these class grades will be included in the cumulative high school GPA. If students transfer from Lighthouse Academy sites they will be scheduled in the class they were enrolled in at the previous Lighthouse Academy site.

**Academy Electronic  
Device Use Policy**

**DISTRICT POLICY - STUDENTS**

Students are not permitted to use, wear, or access any personal, non-testing electronic devices

during testing or while on a break when in an active testing session. These electronic devices include but are not limited to smartphones, cell phones, smartwatches, Bluetooth headphones, headphones that allow access to voice assistant technology, and computers and/or tablets not being actively used for testing

purposes. Administration staff are to practice due diligence in actively monitoring students in the testing room and on breaks to ensure that electronic devices are not accessed. If a student brings an additional electronic device into the testing room, the test administrator must follow the district/building level electronic device policy in ensuring the electronic device is stored appropriately and is not accessible to the student during testing.

The testing environment is not to be disturbed by any electronic devices not used for testing or test administration. If an additional electronic device is medically necessary for a testing student, the device must be left with the test administrator, or the test must be administered to the student in a one test administrator-to-one student setting, and the student must be actively monitored at all times while testing.

### **Additionally**

- Students are not allowed to access the device used for testing for any other purpose than to complete the test during the test session.
- A student may not access any additional websites or applications during testing, or for any other purpose after testing, while in the testing room.
- Staff is to ensure that all testing devices are configured properly and that all background applications are disabled before testing begins.
- No pictures or videos may be taken during testing.

### **Prohibited Practices**

- If a student has a cell phone or other non-test electronic device out at any point during a test session, that student's test has been compromised and is to be invalidated due to prohibited behavior, even if the student did not use the cell phone or device. ● Students are not allowed to wear or access "wearable" technology (such as smartwatches, fitness trackers, Bluetooth headphones) during testing. If a student is wearing such a device during testing, that student's test must be invalidated because the student has access to the device regardless of whether it was used or not.
- Even if a student has exited or submitted their test, they cannot use cell phones or other electronic devices in the testing room. If the student has exited/submitted the test and then accesses a cell phone/electronic device (including wearable technology), this constitutes prohibited behavior and the student's test will be invalidated.

### **DISTRICT POLICY - TEST ADMINISTRATORS/TEST MONITORS AND STAFF**

Test Administrators and Test Monitors must be focused on active monitoring throughout test administration. During testing, staff may only use an appropriately configured device (for example, an iPad or Chromebook) for monitoring the WIDA, MI-Access FI, or M-STEP assessments, and these devices should be used for no other purpose, during testing.

A Test Administrator shall not disturb the testing environment through texting, speaking, or other cell phone/wearable technology/electronic device use, except in the event of an emergency (for

example, sick student(s) in the room, technical issues).

Test content can never be photographed or communicated; this includes when a Test Administrator or Test Monitor needs to alert others of an issue or incident.

Test Administrators and Test Monitors are not to use their cell phones, wearable technology, or other devices to check email or perform other work during testing. All such electronic devices are to be silenced to reduce disruptions.

Staff who go between rooms or help troubleshoot technical issues during testing, may also use their cell phones to contact the service provider's help desk; however, if possible, they should step out of the testing room to make calls, to minimize disruptions.

### **Prohibited Practices**

- If a test administrator or other staff in the testing room accesses an additional electronic device, this will result in a misadministration for the entire testing session and invalidation of the students' tests, in addition to any other actions the Michigan Department of Education (MDE) deems necessary.
- Photography/communication of test content will result in a misadministration for the entire testing session and invalidation of the students' tests, in addition to any other actions MDE deems necessary.
- If a test administrator or other staff in the testing room accesses an additional electronic device, this will result in a misadministration for the entire testing session and invalidation of the students' tests in addition to any other actions MDE deems necessary.

### **COMMUNICATION PLAN**

The school/district will share this policy with its staff, students and families through the use of our mass communication system. In addition, this policy will be reviewed at building staff meetings and placed on the school district websites.

### **MONITORING FOR USE OF ELECTRONIC DEVICES**

The test administrator and/or test monitor will remain in the testing site for the duration of the testing and will monitor student use of electronic devices in accordance with this policy.

### **INCIDENT REPORTING PLAN**

If there is an incident reported by students or staff, the test administrator/test coordinator will immediately notify the building principal who will notify the district superintendent. An incident report will be submitted to OEAA through their secure website.

### **STUDENT CONSEQUENCES FOR VIOLATING POLICY**

All Lighthouse and Hope Academy students sign a Student Technology Use Agreement, which has been updated to include new language as provided by OEAA. Students violating the policy may be subject to discipline as outlined in the student handbook.

### **STAFF CONSEQUENCES FOR VIOLATING POLICY**

All staff who are responsible for testing will complete required training and certify their completion through the testing portal. If this is not done, disciplinary action may be taken.

### **REQUIRED STAFF TRAINING**

Building principals will review the new policy with staff responsible for testing. Any new information will be communicated through the superintendent. In addition, all staff who are responsible for test administration, will complete required training and certify their completion through the secure testing portal.

### **TRANSCRIPT**

A transcript is an official school record of courses taken, grades, credits taken, credits earned, and GPA. When students transfer from another school, their previous passing class grades will be added to their transcript at Lighthouse Academy. This means these class grades will be included in the cumulative high school GPA. If students transfer from Lighthouse Academy sites they will be scheduled in the class they were enrolled in at the previous Lighthouse Academy site.

### **DUAL ENROLLMENT**

Dual enrollment permits an eligible high school student to take a college class while still enrolled in high school. The college class may be taken for high school credit, college credit, or both. The law that governs the dual enrollment program provides that a portion of the cost may be paid for by the school district. It does not cover fees for books, transportation, parking costs, or activity fees.

Eligible classes at college are generally in academic areas in which the student has exhausted the high school curriculum, or in classes not offered by the high school. The high school administrator must approve all dual-enrollment courses before the student registers. The student must register through the college's admissions office. Students interested in enrolling in a dual enrollment (MDE, Dual Enrollment, 2007) must meet the following requirements. Please put a check mark by the requirement to indicate the student meets the requirements. When all requirements are met then the student and parent/guardian will meet with the school counselor and transition coordinator.

- Student **meets the testing scores** in the subject area in order to qualify for dual enrollment
- Student is **16 years** of age
- Student is in the **11<sup>th</sup> or 12<sup>th</sup>** grade
- Student is enrolled at **both** Lighthouse and post-secondary school, for the time of taking dual enrolled class
- The class is **not offered at Lighthouse** and is not a physical education, religious, or leisure skill class
- Student is taking the course as a post-secondary credit only, for high school credit, or both
- Student understands that post-secondary courses **will not** replace a failing grade
- Student agrees to maintain **regular attendance** at Lighthouse and the post-secondary class
- The student and parents have met with school counselor and transition coordinator
- Each party will sign this form indicating that all requirements have been met.

## TESTING OUT POLICY

Lighthouse Academy will grant high school credit to any pupil who can demonstrate mastery in the subject area content expectations or guidelines for a course. Teachers will establish the assessment process that measures a student's mastery of the subject area content expectations. To all students who wish to test out of a course, teachers will provide all the learning objectives for that course, a summary of the course syllabus, a sample written examination, and a description of the final assessment required to establish mastery. The teacher will ensure that the assessment used to determine mastery is comparable to that required of students taking the actual course for credit.

Upon mutual agreement between teacher and student, a student may take a post-test to demonstrate mastery at any time.

The teacher will determine whether sufficient mastery has been achieved on the post-test to grant credit. Mastery can be achieved in the following manner:

- Attaining a grade of not less than 77% on a final exam in the course.
- Exhibiting mastery through the basic assessment of that course, which may include a speech, portfolio, performance, paper, project, or presentation.

The standards must be comparable to the standards used for the regular course.

If a student demonstrates mastery, they will be granted credit for the course upon final approval by administration.

The teacher of record is responsible to update their gradebook and complete a Testing-out Request Form. The teacher will attach the completed assessment with score to the Testing-out Request Form. The completed form should have final approval from the building administration.

In addition, a Transfer Form must be filled out if a student successfully demonstrates mastery on the given assessment. Indicate on the Transfer Form *Tested Out*. The teacher will provide this to the Guidance Counselor. The guidance counselor will complete a credit check and verify the student's schedule needs and write the proposed next course on Transfer Form. The guidance counselor will submit the Transfer Form to the Principal for final approval. If approved, the Principal will provide a copy of the Transfer Form and the Testing-out Request Form with the test attached with comments "store grade" to the Guidance Counselor. The Guidance Counselor will "store" the student's grade in PowerSchool and put the test in the student's permanent file. The Principal will also give the guidance counselor a copy of the approved Transfer Form and the guidance counselor will enroll the student in their new class.

**LIGHTHOUSE  
ACADEMY**

### **Lighthouse Academy Instructional Materials Opt-out Procedures**

Lighthouse Academy uses a variety of instructional materials to achieve academic objectives, follow state content and curriculum standards, and ensure students are exposed to a wide range of ideas and viewpoints. While the District strives to select materials that are inclusive for all

students and acceptable to all families, there may be times when a parent or student objects to certain materials. In these circumstances, a parent may request their student's excusal from the instructional material. Opt-out requests will be reviewed using the procedure below.

#### A. Complaints about Instructional Materials

If a Parent objects to their student's instructional materials, the following procedures will apply:

1. First Level – Objection to Building Principal. The Parent must submit an objection and explanation in writing to the building principal using Form #1. The building principal will review the Parent's objection and the objected materials to determine whether:
  - a. the stated objection outweighs the educational and pedagogical reasons the material was selected;
  - b. the materials require the student to engage in conduct or practice that violates or substantially interferes with the student's sincerely held religious belief or religious development;
  - c. the materials lack serious educational, literary, artistic, political, or scientific value for the age range of the students in question; or
  - d. the materials are inappropriate or harmful for the age range of the students in question.

The building principal will confer with the teacher as part of their review of the Parent's objection.

The building principal will provide all parties with a written response granting or denying the Parent's objection within 10 school days. If the Parent's objection is granted, the student will be excused from this instructional material with no negative consequence.

2. Second Level - Superintendent Review. If the Parent disagrees with the building principal's response, the Parent may submit a written appeal to the Superintendent within 5 school days after receiving the building principal's response. The Superintendent will review the Parent's written objection, the building principal's written response, the Parent's written appeal, the materials being challenged, and any other information the Superintendent deems relevant. The Superintendent will issue a written decision within 30 calendar days of receiving the appeal based on the factors described in Section 1 above. The Superintendent's decision is final. If the Parent's appeal is granted, the student will be excused from this instructional material with no negative consequence.

#### B. Complaints about Library Materials

1. If a Parent objects to materials in the school library, the Parent must submit an objection and explanation in writing to the Superintendent identifying:
  - a. the basis for the objection;
  - b. any recent known use of the library materials in the school; and

  - a. the materials lack serious educational, literary, artistic, political, or scientific value for the age range of the students in question; or
  - b. the materials are inappropriate or harmful for the age range of the students in question.

The Superintendent may, in his or her sole discretion, designate review to another administrator or employee. The Superintendent or designee will endeavor to provide a written response to the Parent within 30 calendar days after receiving the objection. The Superintendent or designee's decision is final.

representative at all times. There is no wandering in the building without permission. Passes will be given if a student needs to leave the classroom with teacher permission.

Lighthouse Academy cannot be responsible for their safe-keeping and will not be liable for loss or damage to any personal valuables. Students who purchase materials from other students while on school property will be suspended [unless selling items that may be periodically sponsored by the school and the student council (e.g. Valentine candy-grams, etc.)].

  - 3rd time – Meeting with student, parent/guardian, Principal, and staff to discuss other possible steps prior to student being allowed to return to school

## **SMOKING**

No smoking is permitted on grounds, in sight of staff, or on any off-campus activity by students, families, volunteers, or staff. “On grounds” is defined as the Eagle Village Campus. Lighthouse Academy prohibits the use, possession, distribution, purchase, or sale of any tobacco product by any person on Academy property, in any Academy vehicle, or at any Academy event. In addition, any tobacco advertising or promotion is strictly prohibited. Violation of this policy could result in suspension or expulsion.

## **CONTRABAND ITEMS**

Consequences for bringing banned items to school will be determined case-by-case. They should be left home or they will be taken and possibly destroyed. A call will be made to the parent/guardian, Principal, probation officer (P.O.), or police, as applicable. Contraband items include illegal substances or paraphernalia, knives, lighters, etc.

## **PROHIBITION OF ALCOHOL AND DRUGS**

The Academy prohibits the use, possession, distribution, purchase, or sale on Academy property, in any Academy vehicle, or at any Academy-sponsored event of any of the following prohibited substances:

  - Any prescription drug not prescribed for the student by a licensed health care provider or not used in the manner prescribed
  - Any inhalant, regardless of whether it contains an illegal drug or controlled substance: (a) that a student believes is, or represents to be capable of, causing intoxication, hallucination, excitement, or dulling of the brain or the nervous system; or (b) about which the student engaged in behavior that would lead a reasonable person to believe that the student intended the inhalant to cause intoxication, hallucination, excitement, or dulling of the brain or nervous system.
- Look-alike or counterfeit drugs, including a substance not containing an illegal drug or controlled substance, but one: (a) that a student believes to be, or represents to be, an

illegal

drug or controlled substance; or (b) about which a student engaged in behavior that would lead a reasonable person to believe that the student explicitly or implicitly represented to be an illegal drug or controlled substance.

- Drug paraphernalia, including devices that are or can be used to: (a) ingest, inhale, or inject cannabis or controlled substances into the body; or (b) grow, process, store, or conceal cannabis or controlled substances.

Students under the influence of any prohibited substance are not permitted to be on Academy property, in an Academy vehicle, or at an Academy-sponsored event. The student will be treated as though they have the prohibited substance in their possession.

### **GANG-RELATED BEHAVIORS**

Any student involved in any activity, symbol, sign, or communication that is determined by staff to be gang-related, or even possibly so, will be asked to discontinue the behavior without question. Items may be taken, destroyed, etc. Parent/guardian, Principal, and/or probation officer may be involved. Suspension may result and will be determined on a case-by-case basis.

### **LANGUAGE**

Conversations must be clean, non-violent, non-offensive, and not negative toward race, gender, sexual orientation, or appearance as determined by staff.

### **SEXUAL BEHAVIOR, COMMENTS, ETC.**

No sexually-related behavior or comments will be tolerated. They will be dealt with on an individual basis. No public displays of affection (PDAs). Demonstration of one's affection toward another person has an appropriate time and place. PDAs should be limited to those types of displays that are deemed appropriate by staff as proper decorum in a school setting. Displays of affections such as kissing, extensive embracing, sitting on someone's lap, or any contact that may be considered sexual in nature will not be allowed on Academy grounds, in Academy vehicles, or at any Academy-sponsored event/activity. Excessive displays of affection may result in suspension from school, or possibly expulsion.

### **STUDENT ACCIDENT INSURANCE**

Student accident insurance is not available. It is recommended that parents carry a family insurance plan.

### **MEDICATION**

The following definition of "medication" is adopted for use at Lighthouse Academy: Medication includes prescription, non-prescription, and herbal medications that are taken by mouth, inhaler, or injection; applied as drops to the eyes or nose; or applied to the skin. Oral medication may be administered to students by school personnel according to the following conditions: The parent/guardian has submitted a written request to the school to give medication following label directions, and has brought the medication (in original pharmacy bottles) directly to the teacher/social worker. Parents may give permission using the Medication Use Form for students

to receive Tylenol if necessary. If a student needs to take over-the-counter medication, the parent must drop off medication in the school office with a note and pick up medication at the end of the school day. Failure to follow this policy will lead to discontinuation of medication being distributed at school.

Unsupervised use of an inhaler is allowed with physician authorization and parent/guardian permission. These students should be instructed by their parents to notify their teacher each and every time they use their inhaler so that frequent use can be communicated to the parents/guardians.

Parents/guardians of students who need an Epi-Pen must contact the school office at the beginning of each school year to institute a medical plan.

Students with disabilities who have an Individualized Educational Program (IEP) or Section 504 Plan are included under the policy and procedures that govern the administration of medications. Note: The policy and procedures do not violate either the Individuals with Disabilities Education Act (IDEA) or Section 504 of the Rehabilitation Act.

## **IMMUNIZATIONS**

Students must be current with all immunizations required by law, or have an authorized waiver from State immunization requirements. If a student does not have the necessary shots or waiver, School Leaders may remove the student or require compliance with a set deadline. This is for the safety of all students and in accordance with State law. Any questions about immunizations or waivers should be directed to a staff member in the school office.

## **RESPONSIBLE THINKING PROCESS**

Students who have behavior issues within the school will need to follow the Responsible Thinking Process (RTP) in order to continue within their classes. The goal of behavior management and discipline is to teach self-control and develop character. Each situation is considered unique and will be handled as deemed appropriate by staff using a method described below. Steps may include: redirection, cool-down time, processing with multiple staff, and/or behavior management plan. This will be determined on a case-by-case basis. Persistent behavior issues may lead to a meeting with the school board, and possible suspension or expulsion.

Positive behavior will be rewarded. Please see the head of school or any Responsible Thinking Advisor for further information.

RTP is designed to provide constructive choices for students who disrupt classes and break rules. Through a series of questions, teachers and support staff help students decide when and if they want to redirect themselves.

The questions are as follows:

- 1) What are you doing?
- 2) What is the rule associated with that behavior?
- 3) What happens when you break the rules?
- 4) What will happen if you continue to break the rules?
- 5) What are you willing to do now?

If the student responds appropriately to the questions, the process stops there and class resumes. If at any point during the process the student becomes resistant, s/he is told that s/he has made a decision to report to the Responsible Thinking Center (RTC).

In the RTC, students meet with the Student Responsibility Advisor (SRA), who assists them in developing a plan for classroom re-entry. The SRA then makes an appointment for the student to negotiate the completed re-entry plan with the teacher. Successful negotiation equals a return to class.

Gross misconduct such as excessive profanity, fighting, sexual harassment, and drug use are immediately referred to the RTC. The school Principal is consulted when serious issues such as these arise.

## STANDARDS OF CONDUCT

All students will be expected to sign a contract upon enrollment and to fulfill the following commitments:

I realize that **bigotry and hatred is wrong** no matter to whom it is directed. I agree not to engage in racism either by my actions or by my words while enrolled at Lighthouse Academy.

I realize that the **use of alcohol and drugs and non-prescription drugs** will not be tolerated at Lighthouse Academy. I agree not to use any drugs or alcohol before school, during school hours, at lunch, or at any other school events. I understand that it is illegal to smoke less than 500 feet from school grounds. I agree to respect the law and the school grounds by observing this guideline.

I realize that **open displays of affection and sexually explicit language** or innuendoes are not conducive to a productive learning environment. I will refrain from such behavior while at Lighthouse Academy or while attending any school functions.

I will demonstrate **respect to the faculty** of Lighthouse Academy as indicated by my non-hostile obedience to their directives and requests. I will show **respect to my fellow students** by not fighting or gossiping.

I appreciate the organization that owns the **school building and grounds** in which I attend. I will not damage this property in any way. I understand that I am subject to disciplinary action and payment for damages if I do so.

I will sincerely attempt to change my **language habits** and reduce my profanity. I understand that the faculty will encourage me to use better language if I swear. I realize that I am subject to disciplinary action if I curse at a staff member or continually exhibit profanity.

I realize that **consistent attendance** is necessary for academic progress. Excessive tardiness (including all class periods throughout the day) or absences will require a conference with parents and/or possible disciplinary action. Truancy may be reported to the proper authorities as appropriate and necessary.

I have a bright future. I do not want to jeopardize it by a rash and senseless act of **violence**. I realize that if I initiate or perpetuate a fight or other acts of violence, I am subject to discipline. I also understand that bringing a firearm or other weapon to school may result in expulsion.

I must **dress appropriately**. No gang-related clothing, no sagging, no hats, no do-rags, no

profane or alcohol/drug-related clothing or jewelry, no spikes or studded jewelry, and no chains may be worn. A plain blue or white shirt or Lighthouse Academy logo wear must be worn as the top layer of clothing (shirt or hoodie) at all times. The student ID must be worn around the neck and be visible at all times. Shorts must be mid-thigh. I understand that I will be sent home to change if the faculty determines my dress to be inappropriate.

I will exhibit **proper classroom behavior** in order to provide my fellow students and myself the best possible opportunity to learn. I understand that disruptive and inappropriate behavior will not be tolerated. If misbehavior continues, I will be subject to disciplinary measures.

I will do all the **work** assigned by my teachers in all my classes. I will complete my work promptly. I will take notes as needed in class and study hard for all my tests. I understand that if I refuse to do my work or turn in below-standard and incomplete assignments, I will be subject to disciplinary measures.

I understand that the faculty is here to educate, advocate, and encourage mature and thoughtful behavior. They represent authority in the school setting. I understand that the contents and terms of this contract and the judgment of the faculty in their interpretations are not negotiable.

## **LIGHTHOUSE ACADEMY POLICY AND PROCEDURES FOR STUDENT DISCIPLINE**

The goal of behavior management and discipline at Lighthouse Academy is to teach self-control and develop character.

### **Code of Conduct**

The Student Code of Conduct (see above) establishes the rules governing the most serious and obvious types of student misconduct. The behavioral areas listed in this Student Code of Conduct are not to be construed as an all-inclusive list or as a limitation upon the authority of school officials to deal appropriately with other types of conduct which interfere with the good order of the school, the proper functioning of the educational process, or the health and safety of students.

A student violating any of the prohibited acts listed in this Student Code of Conduct shall be deemed to be guilty of a gross misdemeanor and will be disciplined. Additionally, a student who engages in a prohibited act that violates the law may be referred to the appropriate police authority.

The prohibited acts and penalties listed below are applicable when a student engages in a prohibited act:

- on school property
- in a motor vehicle being used for a school related purpose
- at a school-related activity, function or event
- in travel to or from school
- involving another student who is traveling to or from school

– **off school premises,**

which act, in the judgment of the administration, is of such seriousness that the student's continued attendance in school would present a danger to the health and safety of students or employees or would endanger the proper functioning of the educational process.

**Gross Misdemeanors or Persistent Disobedience**

Any student guilty of gross misdemeanors, persistent disobedience, or persistent disregard of dress code policy may be suspended by the authorized School Leader or expelled by the Board.

**Anti-Bullying Policy**

The Lighthouse Academy (LA) board of directors recognizes that a school that is physically and emotionally safe and secure for all students promotes good citizenship, increases student attendance and engagement, and supports academic achievement. To protect the rights of all students and groups for a safe and secure learning environment, the board of directors prohibits acts of bullying, harassment, and other forms of aggression and violence. Bullying or harassment, like other forms of aggressive and violent behaviors, interferes with both a school's ability to educate its students and a student's ability to learn. All administrators, faculty, staff, parents, volunteers, and students are expected to refuse to tolerate bullying and harassment and to demonstrate behavior that is respectful and civil. It is especially important for adults to model these behaviors (even when disciplining) in order to provide positive examples for student behavior. Thus, Lighthouse Academy has adopted this policy pursuant to subsection (1) of Act 241:

- (a) The LA board of directors prohibits the bullying of any pupil attending the school.
- (b) The LA board of directors prohibits retaliation or false accusation against a target of bullying, a witness, or another person with reliable information about an act of bullying.
- (c) The LA board of directors further maintains that all pupils are protected under the policy and that bullying is equally prohibited without regard to its subject matter or motivating animus.
- (d) The LA board of directors identifies the school principal as being responsible for ensuring that the policy is implemented.
- (e) This policy is to be publicized by including information about the policy and anti-bullying programs at the school through school newsletters and parent meetings.
- (f) LA has procedures for providing notification to the parent or legal guardian of a victim of bullying and the parent or legal guardian of a perpetrator of the bullying. These procedures include the referral of any acts of bullying to the Responsibility Thinking Advisors, school guidance counselor, and/or school social worker to address the issue.
- (g) If the procedure identified above is not followed properly as stated, a prompt investigation of a report of violation of the policy or a related complaint will be made to the principal or the principal's designee as the person responsible for the investigation.
- (h) Through the annual state behavior and discipline reporting process, LA will document any prohibited incident that is reported and a procedure to report all verified incidents of bullying and the resulting consequences, including discipline and referrals,

to the board of directors of the public school academy on an annual basis.

### **Weapons, Arson, or Criminal Sexual Conduct**

Any student possessing, using, controlling, or transferring a dangerous weapon (defined by Michigan law as a “firearm, dagger, dirk, stiletto, knife with a blade over 3 inches in length, pocket knife opened by a mechanical device, iron bar or brass knuckles”), any item which may be used to cause or threaten harm to others, or a look-alike weapon; or who commits arson or criminal sexual conduct on Academy property, in an Academy vehicle, or at an Academy-sponsored event, shall be permanently expelled for a period of not less than one hundred eighty (180) days.

Possession, use, or threatening the use of any weapon (not included in the legal definition above) or any dangerous item may result in suspension by the authorized school district administrator or expulsion by the Board. A dangerous item is any object capable of inflicting bodily harm, as determined within the sole discretion of the authorized school district administrator (including but not limited to knives, bullets, fireworks, smoke bombs, any parts of a weapon, or toy weapons).

### **Physical Assaults Against Academy Personnel and Students**

Any student who commits a physical assault against an Academy employee, volunteer, contractor, or another student on Academy property, in an Academy vehicle, or at an Academy-sponsored events may be suspended by the authorized School Leader or expelled by the Board. Physical assault is defined as intentionally causing or attempting to cause physical harm to another through force or violence. This **may** include behavior offenses committed while in route to or from school.

### **Verbal Assaults**

Any student who commits a verbal assault on school property, on a school bus or other school vehicle, or at an Academy-sponsored activity or event against a Lighthouse Academy employee, volunteer, or contractor may be suspended by the authorized School Leader or expelled by the Board.

Verbal assault is defined as a threat of immediate harmful or offensive touching, coupled with an apparent immediate ability to commit same, which puts a person in a reasonable apprehension of such touching; the use of offensive language directed at a person, where such language is likely to provoke a reasonable person (e.g. excessive taunting or teasing, bullying, hazing, or other verbal harassment, or aggressive behavior); or a bomb threat (or similar threat) directed at a school building, other school property, or a school event. A student who encourages others to engage in such behavior also violates this policy. For purposes of this policy, the definition of assault also includes written threats.

### **Other Prohibited Student Conduct**

- Using a cellular telephone, video recording device, personal digital assistant (PDA), or similar electronic device in any manner that disrupts the educational environment or violates the rights of others. All cell phones and similar electronic devices must be kept powered off and out of sight during the regular school day unless: (a) the supervising teacher grants permission; or (b) it is needed in an emergency that threatens the safety of students, staff, or other individuals.
- Sending, receiving, or possessing sexually explicit or otherwise inappropriate pictures or images, commonly

knowing as “sexting.”

- Engaging in academic dishonesty, including cheating, intentionally plagiarizing, wrongfully giving or receiving help during an academic examination, and wrongfully obtaining test copies or scores.
- Bullying, hazing, or any kind of aggressive behavior, or encouraging other students to engage in such behavior.
- Using or possessing a laser pointer, unless under a staff member’s direct supervision and in the context of instruction.
- Damaging or attempting to damage another person’s personal property. – Stealing or attempting to steal another person’s personal property.
- Being involved with any public school fraternity, sorority, or secret society.
- Being involved in a gang or engaging in gang-like activities, including displaying gang symbols or paraphernalia.
- Engaging in any activity, on or off campus, that interferes with, disrupts, or adversely affects the school environment, school operations, or an educational function, including but not limited to conduct that may reasonably be considered to:  
(a) be a threat to or an attempted intimidation of a staff member; or (b) endanger the health or safety of students, staff, or Academy property.
- Violating any criminal law, including but not limited to assault, battery, arson, theft, gambling, eavesdropping, and hazing.
- Being absent without a recognized excuse.
- Disobeying rules of student conduct or directives from staff

members or Academy officials. **Damage of Property**

Vandalism and disregard for school property will not be tolerated. A student who damages or attempts to damage; or steals or attempts to steal Academy property will be disciplined. Violations could result in physical or financial restitution, suspension, or expulsion. (Graffiti is

considered vandalism.)

### **Application to Students with Disabilities**

Lighthouse Academy complies with the Individuals with Disabilities Education Act (IDEA) and Section 504 of the Rehabilitation Act of 1973 when disciplining students. Behavioral interventions will be used with students with disabilities to promote and strengthen desirable behaviors and reduce identified inappropriate behaviors. No special education or Section 504 student will be expelled if the student's misconduct is a manifestation of his/her disability as determined through a manifestation hearing. Any student with a disability whose misconduct is not a manifestation of his/her disability may be suspended or expelled pursuant to school disciplinary procedures.

### **Due Process Rights**

All students suspended and/or expelled will be provided notice and an opportunity to be heard in accordance with a student's due process rights under the law.

### **Progressive Discipline**

Each student behavioral incident is considered unique and will be handled as deemed appropriate by staff. Steps may include: redirection, cool-down time, and/or behavior management plan. This will be determined on a case-by-case basis. Positive behavior will be rewarded.

In cases when a student is refusing to be redirected by staff in class, the staff may deem it necessary that the student have some time away from class to process his/her behavior in order to prepare to re-enter class in a productive manner.

### **Long-term Suspensions and/or Expulsions**

Persistent behavior issues may lead to a meeting with the Principal and possible suspension for up to ten days. Long-term suspensions (defined as those greater than ten days) and/or expulsions will be decided by a disciplinary team consisting of the Principal, one other Lighthouse Academy staff member, and a Board member.

### **Impartial Hearing**

In the case of long-term suspensions and expulsions, the Discipline Committee appointed by the Lighthouse Academy Board will conduct an impartial hearing in compliance with the Open Meetings Act within 10 school days of the incident. The student will have a reasonable amount of time to prepare for the hearing. The Principal will present the Academy's case against the student. A certified letter to parents about the issue, including the intent to suspend or expel, must be sent within 48 hours of the incident report. This letter sent to the parent and student will indicate the following:

- The alleged misconduct, which must fit within the Parent/Student Handbook discipline policy. (The written charges should be specific and detailed. All possibly violated discipline rules should be listed. If the student is charged with a violation of a Michigan statute which is not specifically stated in the student discipline rules, the pertinent section of the Michigan Code will be cited.)
- Length of proposed long-term suspension and/or expulsion.

- The date, time, and location of the scheduled hearing.
- Students and parents are not required to attend the hearing. If the parent/guardian does not attend, the Discipline Committee will take action based on the information presented at the hearing.
- If students and/or parents attend this hearing, their rights include the right to review the information supporting the charges and proposed penalty; to dispute the information supporting the charges and proposed penalty; to introduce information on the student's behalf; and to be represented by legal counsel. The hearing is not a legal proceeding and will not be conducted according to court rules or rules of evidence. If legal counsel is retained, the Principal must be notified at least 48 hours prior to the hearing, so the Academy can make arrangements to have its own attorney present. The parent and/or student may request that the hearing be conducted in closed session.

The Principal will present the issues and documentation to the Discipline Committee as the Academy representative. All student names will be disguised for presentation at the hearing. Within the paperwork, all other students involved should be referred to as "another student" or "another male/female student."

The student who violates the law and/or behavior code warranting a recommendation for a long-term suspension/expulsion should not be placed on Homebound Education until the hearing has been held or the parent/guardian and student elect to waive the hearing by contacting the school office after the charges have been filed.

### **Appeal**

If the Principal determines that a long-term suspension or expulsion is warranted, the parents and/or student may appeal that decision to the full School Board in writing within 5 school days of receiving the expulsion notification. The appeal must state why the decision of the Discipline Committee was not justified, and any extenuating circumstances that the Board should consider. The Board will discuss the appeal at their next regularly scheduled board meeting. If the Board decides on expulsion, the student is separated from the Lighthouse Academy School District. The School Board's decision is final.

### **Reinstatement**

Parents/guardians may petition the Lighthouse Academy School Board to readmit their student upon expiration of the mandated expulsion period as determined by law. LA follows the Revised School Code as it applies to reinstatement:

1. The expelled student's parent/guardian may initiate a petition for reinstatement at any time after the expiration of 150 school days after the date of expulsion.
2. The expelled student cannot be reinstated before the expiration of 180 school days after the date of expulsion.
3. It is the responsibility of the parent/guardian to prepare and submit the petition. Lighthouse Academy will not provide assistance in preparing the petition.

4. No later than 10 school days after receiving a petition for reinstatement, a school board shall appoint a committee to review the petition and any supporting information submitted by the parent/guardian. The committee shall consist of 2 school board members, 1 school administrator, 1 teacher, and 1 parent of a pupil in the school district. During this time, the Principal may prepare and submit for consideration by the committee information concerning the circumstances of the expulsion and any factors mitigating for or against reinstatement.
5. No later than 10 school days after all members are appointed, the committee shall review the petition, any supporting information, and information provided by the school district, and shall submit a recommendation to the school board on the issue of reinstatement. The recommendation shall be for unconditional reinstatement, for conditional reinstatement, or against reinstatement, and shall be accompanied by an explanation of the reasons for the recommendation and of any recommended conditions for reinstatement. The recommendation shall be based on consideration of all of the following factors:
  - a. The extent to which reinstatement of the individual would create a risk of harm to pupils or school personnel.
  - b. The extent to which reinstatement of the individual would create a risk of school district or individual liability for the school board or school district personnel.
  - c. The age and maturity of the individual.
  - d. The individual's school record before the incident that caused the expulsion.
  - e. The individual's attitude concerning the incident that caused the expulsion.
  - f. The individual's behavior since the expulsion and the prospects for remediation of the individual.
  - g. The degree of cooperation and support that has been provided by the parent or legal guardian and that can be expected if the individual is reinstated, including, but not limited to, receptiveness toward possible conditions placed on the reinstatement.
6. No later than the next regularly scheduled board meeting after receiving the recommendation of the committee, a school board shall make a decision to unconditionally reinstate the individual, conditionally reinstate the individual, or deny reinstatement of the individual. The decision of the school board is final.
7. The school board may require an individual and, if the petition was filed by a parent or legal guardian, his or her parent or legal guardian, to agree in writing to specific conditions before reinstating the individual in a conditional reinstatement. The conditions may include, but are not limited to, agreement to a behavior contract, which may involve the individual, parent or legal guardian, and an outside agency; participation in or completion of an anger management program or other appropriate counseling; submission of negative screen for illicit drugs and/or alcohol; periodic progress reviews; and specified immediate consequences for failure to abide by a condition. The parent/guardian may include proposed conditions in a petition for reinstatement.
8. This section does not diminish any rights under federal law of a pupil who has been determined to be eligible for special education programs and services.

### **Exclusion from the Academy**

During a suspension or expulsion, a student is not allowed on Academy property, in an Academy vehicle, or to participate in or attend any before- or after-school activities (including, but not limited to, the student's attendance as a spectator of or participant in sport or weekend activities). Once a student has been suspended, s/he is not allowed on campus until his/her suspension has been completed and/or s/he has met with the Principal or school designee.

### **Reporting**

Consistent with controlling law, all matters of student out-of-school disciplinary suspensions and expulsions shall be permanently maintained in a student's permanent educational record (CA-60), and shall be transferred to any other private or public elementary school in which the

student may seek enrollment. However, such disciplinary records may be deleted upon graduation, except for expulsions for possession of dangerous weapons, arson, criminal sexual conduct, or the physical assault of a staff member, volunteer, or contractor.

Suspension and/or expulsion will be listed as an excused absence within the student's attendance record.

When required by law, the Juvenile Division of the Probate Court will be informed by the Principal that the Academy has expelled the student, and the reason for expulsion. Academy administration and staff will also report and share information with local law enforcement agencies and appropriate Family Independence Agencies or County Community Health Agencies regarding student misconduct which may constitute reportable offenses under the law and local agreement.

### **Corporal Punishment**

The administration or teachers will not perform corporal punishment for any reason.

However, the use of reasonable physical force necessary to maintain order and control for the purpose of providing an environment conducive to safety and learning is permitted in the following situations as stated by the Michigan Department of Education:

- “To restrain or remove a pupil whose behavior is interfering with the orderly exercise and performance of school district or public school academy functions within a school or at a school-related activity, if that pupil has refused to comply with a request to refrain from further disruptive acts.
- “For self-defense or the defense of another.
- “To prevent a pupil from inflicting harm on himself or herself.
- “To quell a disturbance that threatens physical injury to any person.
- “To obtain possession of a weapon or other dangerous object upon or within the control of a pupil.”

All guidelines for the use of seclusion and restraint will be adhered to at all times.

### **STUDENT RIGHTS**

The rules and procedures of the school are designed to allow each student to obtain a safe, orderly, and appropriate education. Students can expect their rights to freedom of expression and association and to fair treatment to be honored as long as they respect the rights of their fellow students and the staff, and their actions are not disruptive to the educational process. Students will be expected to follow the directions of all staff and obey all school rules.

No information which may be considered of a confidential or personal nature may be released to outside agencies without the specific approval of the parent/guardian and school official.

### **VOLUNTEERS**

Volunteers are important to the school. Volunteers of the school are to be treated with the same respect as staff.

### **MANDATORY REPORTING POLICY**

## **Protective Services/DHS**

Michigan's Child Protection Law requires that any mandated reporter (which includes Lighthouse Academy staff members) who “has reasonable cause to suspect child abuse or neglect shall make immediately, by telephone or otherwise, an oral report to Children’s Protective Services of FIA, in the county in which the alleged abuse or neglect occurred. A written report must be made within 72 hours of the oral report to CPS, using form FIA-3200 ("Report of Suspected Child Abuse or Neglect").”

## **POLICE INVOLVEMENT**

The assistance of police agencies may be requested when a student:

- **Is assaultive.**
- **Refuses to leave the building when requested to do so by school personnel.** – **Does physical damage to the environment.**
- **Commits an apparent illegal act.**
- **Runs away.**
- **Is reasonably suspected of having a weapon on his/her person or in his/her vehicle located on the property.**

Generally, when police involvement is requested by school authorities, a formal complaint will be filed. Once this action has been taken, the complaint will not be withdrawn. The initiation of police involvement must be approved by the Principal.

## **FIELD TRIPS**

Field trips will be scheduled periodically. A general parent/guardian permission slip will be sent home at the beginning of the year and must be signed and returned before a student may participate. Parents/guardians will be informed in advance of upcoming field trips throughout the school year.

## **SAFETY DRILLS**

The school complies with all fire safety laws and will conduct fire, tornado, and lockdown drills in accordance with State law. Specific instructions on how to proceed will be provided to students by their teachers, who will be responsible for safe, prompt, and orderly evacuation of the building. During practice lockdown drills, entering and exiting the buildings will be restricted for approximately 15 minutes.

During an actual situation, an “Out of Order” sign will be posted on the doors, and parents/guardians/visitors must return to their vehicles. Situations may include external concerns such as hazardous material spills, police actions, etc.

## **WORK PERMITS**

Any student wishing to obtain the necessary paperwork to receive a work permit should make a request to the school office.

## **SELECTIVE SERVICE REGISTRATION**

Male students age eighteen (18) or older are required by law to register for the Selective Service.

## **INFORMATION PROVIDED TO MILITARY**

Two federal laws require that the Academy provide military recruiters, upon request, with three directory information categories – names, addresses, and telephone listings. If you do not want the Academy to disclose this directory information from your child's education records without your prior written consent, you must notify the Academy in writing by the end of the first week of the school year.

## **EQUAL EDUCATION OPPORTUNITY**

It is the policy of Lighthouse Academy to provide an equal education opportunity for all students.

Any person who believes that s/he has been discriminated against on the basis of his/her race, color, disability, religion, gender, or national origin while at the Academy or an Academy activity should immediately contact the Principal. Complaints will be investigated in accordance with the administrative guidelines. Any student making a complaint or participating in an Academy investigation will be protected from any threat or retaliation. The Principal can provide additional information concerning equal access to educational opportunity.

## **SEXUAL HARASSMENT**

The Academy is committed to providing for its students an educational environment that is respectful of human dignity and free from sexual harassment. Abuse of the dignity of any student by means of sexist slurs, or sexually-oriented obscene, lewd, vulgar, unwanted, offensive, or indecent language will not be tolerated. Sexually derogatory or objectionable conduct, including but not limited to unwanted or offensive touching and physical contact will also not be tolerated.

Any student who feels he or she is being sexually harassed by any other student or students shall report such incidents to a teacher, counselor, school psychologist, school social worker, or School Leader. Such reports shall be reported to and investigated by the Principal. Any student who is determined to have committed sexual harassment will be subject to disciplinary action, based upon the severity and frequency of the offense(s).

The District prohibits unlawful sex discrimination, including harassment and retaliation, in any of its education programs or activities in accordance with Title IX of the Education Amendments of 1972 and corresponding implementing regulations.

Any person who witnesses an act of sexual harassment is encouraged to report it to a District employee. No person will be retaliated against based on any report of suspected sexual harassment or retaliation.

A person may also anonymously report an incident of sexual harassment or retaliation. The District will investigate anonymous reports pursuant to its investigation procedures described below.

A person who has been the subject of sexual harassment or retaliation may report that behavior to the Title IX Coordinator or any District employee. Any District employee who receives a report of sexual harassment or has actual knowledge of sexual harassment must convey that information to the Title IX Coordinator by the end of the next day.

A person may make a report at any time, including non-business hours. Reports may be filed in person, by mail, by telephone, or by electronic mail, using the contact information listed for the Title IX Coordinator, or by any other means that result in the Title IX Coordinator receiving the person's verbal or written report.

Further information can be obtained by reading or requesting the District's Title IX Sexual Harassment Policy from any School Leader or District Leader.

### **HOMELESS STUDENTS**

It is the policy of the Academy to ensure that children/youth who meet the federal definition of "homeless" have equal access to the same free, appropriate public education as provided to other students. The Board annually appoints a McKinney-Vento Homeless Liaison to perform all duties as legally required.

The Academy is committed to ensuring that there is no barrier to the enrollment, attendance, or success of homeless children and youths. In addition, no student will be stigmatized or segregated on the basis of their status as homeless. The Academy's Homeless Liaison collaborates and coordinates with state coordinators, community service providers, and school personnel responsible for the provision of education and related services to homeless children and youth. Anyone seeking additional information regarding homeless students should contact the School Principal.

### **LIMITED ENGLISH PROFICIENCY**

Limited proficiency in the English language should not be a barrier to equal participation in the instructional or extra-curricular programs of an Academy. It is, therefore, the policy of Lighthouse Academy that those students identified as having limited English proficiency will be provided additional support and instruction to assist them in gaining English proficiency and in accessing the educational and extra-curricular programs offered by the Academy. Parents should contact the Principal to inquire about procedures and programs offered by the Academy.

### **INDIVIDUALS WITH DISABILITIES**

The Americans with Disabilities Act (ADA) and Section 504 of the Rehabilitation Act provide that no individual will be discriminated against on the basis of a disability. This protection applies not just to the student, but to all individuals who have access to the Academy's programs and facilities. A student can access special education services through the proper evaluation procedures. Parent involvement in this procedure is required by Federal (IDEA) and State law. Contact the Principal to inquire about evaluation procedures and programs. The Principal is the Section 504 Coordinator.

### **SEARCH AND SEIZURE**

All lockers, cubbies, and other storage places assigned to pupils are the property of the Academy. At no time does the Academy relinquish its exclusive control of these storage places. Students have no expectation of privacy in lockers, cubbies, or other school-supplied storage areas. The School Leader or his/her designee shall have custody of all combinations to all lockers or locks. Pupils are prohibited from placing locks on any locker without the advance approval of the School Leader or his/her designee. The School Leader or his/her designee may search lockers, locker contents, cubbies, or other school-supplied storage areas at any time, without notice and without parental/guardianship or student consent.

The Academy assigns lockers, cubbies, and other storage places to its pupils for their convenience and temporary use. Pupils are to use these storage areas exclusively to store school-related

materials and authorized personal items such as outer garments, footwear, grooming aids, or lunch. Pupils shall not use these storage areas for any other purpose, unless specifically authorized by Academy board policy or the School Leader or his/her designee in advance of pupils bringing the items to the Academy. Pupils are solely responsible for the contents of their lockers, cubbies, and other storage places and should not share these storage areas with other pupils, nor divulge locker combinations to other pupils, unless authorized by the School Leader or his/her designee.

The School Leader or his/her designee may request the assistance of a law enforcement officer in conducting a search, but shall not be obligated to do so. The School Leader or his/her designee shall supervise the search. In the course of a search, the School Leader or his/her designee shall respect the privacy rights of the pupil regarding any items discovered that are not illegal or against Academy policy and rules.

When conducting searches, the School Leader or his/her designee may seize any illegal or unauthorized items, items in violation of board policy or rules, or any other items reasonably determined by the School Leader or his/her designee to be a potential threat to the safety or security of others. Such items include but are not limited to the following: firearms, explosives, dangerous weapons, flammable material, illegal controlled substances or controlled substance analogues or other intoxicants, contraband, poisons, and stolen property. Law enforcement officials shall be notified immediately upon seizure of such dangerous items, or seizure of items that schools are required to report to law enforcement agencies under the Statewide School Safety Information Policy. Any items seized by the School Leader or his/her designee shall be removed and held by Academy officials for evidence in disciplinary proceedings, and/or turned over to law enforcement officials. The parent/guardian of the pupil shall be notified by the School Leader or his/her designee of items removed from the storage area.

### **INDIVIDUALIZED SEARCH USING HAND-HELD METAL DETECTOR**

**Purpose:** In order to ensure student, staff, and visitor safety, it is the policy of the Academy to authorize Academy administrators or their designee to conduct searches of students and visitors and their belongings and to seize any weapons or other dangerous items.

The Academy administrator or their designee may conduct an individualized search utilizing a hand-held metal detector. The Academy administrator or his/her designees may request the assistance of a law enforcement officer in conducting such a search, but shall not be obligated to do so. This policy prohibits strip searches and washroom searches. When practical, an Academy administrator or his/her designee of the same gender as the student or visitor should scan the student or visitor with the hand-held metal detector.

An individualized search is justified in its inception when a school administrator has a reasonable suspicion that a student or visitor has a weapon or dangerous item in his/her possession.

The search must:

1. be reasonably related to the objective of the search; and
2. Not be excessively intrusive given the age and gender of the student/visitor and the nature of the suspected violation.

A reasonable suspicion can be defined as the Academy administrator or his/her designee having sufficient grounds to suspect that the search of the student or visitor will turn up evidence of possession of a weapon or dangerous item. For example, reasonable suspicion may arise from seeing a weapon-shaped bulge under clothing; information from a reliable student/staff/adult that a student or visitor has possession of a dangerous weapon or item; or reports that a student or visitor has threatened to bring a dangerous weapon or item into the Academy.

During the search, the administrator may seize any illegal or unauthorized items, items in violation of board policy or rules, or any other items reasonably determined by the Academy administrator or his/her designee to be a potential threat to the safety or security of others. Law enforcement officials shall be notified immediately upon seizure of items listed in the Statewide School Safety Information Policy. Any items seized by the Academy administrator or his/her designee shall be held by Academy officials for evidence in disciplinary proceedings and/or turned over to law enforcement officials. The parent/guardian of the pupil shall be notified by the Academy administrator of any such items found. The Academy administrator or his/her designee shall respect the privacy rights of the searched individual regarding any items discovered that are not illegal or against Academy policy and rules.

Nothing in this policy shall deter any Academy administrator or staff from taking any action s/he reasonably believes is necessary to protect any student, staff member, or visitor from physical threat or danger.

Any Academy utilizing hand-held metal detectors for individualized dangerous weapons searches shall post signs at entrances notifying visitors entering the building that they are subject to search.

Any Academy administrator or his/her designee who violates this policy will be subject to disciplinary action, up to and including discharge.

### **STUDENT VEHICLES**

Students who have a valid driver's license may choose to drive their own vehicle to school. They may purchase a parking permit at the school's front office. They must submit a copy of the driver's license, vehicle registration, insurance, and license plate number in order to receive a parking permit. Vehicles on school grounds are available for search and seizure of items deemed inappropriate on school grounds. Permits may be revoked at any time. Vehicles also may be subject to being towed away at the owner's expense.

### **CAMERA SURVEILLANCE**

Lighthouse Academy authorizes the use of surveillance cameras on District property to ensure the health, welfare and safety of all students, employees and visitors; and to safeguard District facilities, vehicles and equipment. The District reserves the right to videotape student activities and behavior in common areas within school buildings, with or without specific advance notice.

Students or employees in violation of Board policies, administrative directives, school rules or law shall be subject to appropriate disciplinary action. Illegal activities of students, employees or others shall be referred to appropriate law enforcement.

Students or employees who vandalize, damage, disable or render inoperable surveillance cameras and/or equipment shall be responsible for such losses, damages and costs, and shall be subject to appropriate disciplinary action and referral to appropriate law enforcement authorities.

Video, and/or audio recordings may become a part of a student's educational record or an employee's personnel file. Video, and/or audio recording may also be used in a criminal investigation when such images may aid in the investigation. No video or audio recording shall be released to any student or employee. Video recordings may be released to third parties or applicants in conformance with the provisions contained in the Freedom of Information Act, Public Act 442.

The District shall comply with all applicable state and federal laws related to recording, maintaining and retaining video recordings. Only the District or school administrators and office manager shall have access

to video monitors while they are in operation. Records should be viewed on a need to know basis only, in such a manner as to avoid public viewing.

## **STUDENT RECORDS**

Lighthouse Academy maintains many student records, including both directory information and confidential information. Educational records of students at Lighthouse Academy are safeguarded by policies of federal legislation entitled Family Educational Rights and Privacy Act of 1974 and Michigan law. Parents/guardians and/or students eighteen years of age or older who wish to read the educational record should contact the school office. FERPA policy that details the four (4) rights conferred by FERPA on parents (or Eligible Students); that is: (1) the right to have access to their children's education records, (2) the right to seek to have the records amended, (3) the right to have some control over the disclosure of personally identifiable information from the education, and (4) the right to file a complaint with the US DOE.

When transferring student records, school officials are required to transmit disciplinary records, including suspension and expulsion actions against the student.

## **DIRECTORY INFORMATION**

The Family Education Rights and Privacy Act ("FERPA") requires that the Academy, with certain exceptions, obtain the written consent of the parent or guardian of a student prior to the disclosure of personally identifiable information from their child's education records. However, the Academy may disclose appropriately designated "directory information" without written consent, unless you

have advised the Academy to the contrary in accordance with Academy procedures. The primary purpose of directory information is to allow the Academy to include this type of information from your student's education records in certain school publications.

Examples include:

- A playbill showing your student's role in a drama production
- The annual yearbook
- Individual or group recognition of achievement and /or accomplishments
- Graduation programs

Directory information, which is information that is generally not considered harmful or an invasion of privacy if released, can also be disclosed to outside organizations without a parent's prior written consent. Outside organizations include, but are not limited to, companies that manufacture class rings or publish yearbooks.

If you do not want the Academy to disclose directory information from your child's education records without your prior written consent, you must notify the Academy in writing by the end of the first week of the school year. The Academy has designated the following information as directory information:

- Student's name
- Participation in officially recognized activities and sports

- Address
- Telephone listing
- Electronic mail address
- Photograph/video/DVD

Any parent who wishes to review materials or observe instruction must contact the Principal prior to coming to the school. Parental rights to review teaching materials and instructional activities are subject to reasonable restrictions and limits.

### **PARENT & OTHER STUDENT SUPPORT INVOLVEMENT (I.E. THE STUDENT SUPPORT TEAM)**

Our school promotes a strong partnership with the Student Support Team (SST), which is defined as parents/guardians, probation officers, case workers, or counselors (as applicable). Teachers use a variety of means to connect with the SST in order to assist with any barriers that may come up in regards to communication. For example, mailings are sent every marking period, but the SST is also encouraged to connect with the advisory teacher via email or phone about any concerns or needs. The advisory teacher acts as a central communication link for the SST about the student and his/her needs. Lighthouse Academy also employs other methods to engage parents/guardians, including mail, phone, e-mail, and/or special behavior contracting meetings.

Lighthouse Academy staff recognizes the significance of SST participation in accomplishing high levels of student academic achievement. Staff is committed to fostering and supporting active participation of the SST.

Our school has established programs and practices that enhance SST involvement and reflect the specific needs of students and families. These include:

- An active parent representation on the School Improvement Team that meets quarterly
- A family handbook that is distributed to all parents
- Bi-annual parent newsletter that details current happenings, as well as information on how to be involved and to support student learning
- Classrooms that are always open for parent visits

- An annual parent survey that gathers information about parent satisfaction and suggestions for improvement

### **PREPAREDNESS FOR TOXIC AND ASBESTOS HAZARDS**

Lighthouse Academy is concerned for the safety of students and attempts to comply with all Federal and State Laws and Regulations to protect students from hazards that may result from industrial accidents beyond the control of school officials or from the presence of asbestos materials used in previous construction. A copy of the Academy's Preparedness for Toxic Hazard and Hazard Policy and asbestos management plan will be available for inspection at the school office upon request.

### **PESTICIDE NOTICE**

The Academy is required by Michigan Regulations 637, Rule 14, PA 171 to maintain an effective pest control program for our buildings. As part of an effective pest management program, school buildings and grounds may be treated as needed to control or eliminate pests. The least hazardous methods will always be incorporated to remove pests as per the Michigan Pesticide Control Act. Under most circumstances, chemical treatments will be a last resort. When pesticides are used, a notice will be posted on the front door of the school and in the school newsletter. If you would like to request prior notification of the application of pesticides or herbicides, please see the school office. However, pesticides may be used in an emergency situation without advance notice. In such a case, we would make every effort to inform all affected parties. If you have any questions or wish to review the school's integrated pest management plan or records of pesticide applications, please contact the Principal.
