Welcome to your 2023 - 2024 Benefits!

Integrity Educational Services offers you and your eligible family members a comprehensive and valuable benefits program. You will be able to enroll in Medical, Dental, Vision, Life, Disability, Voluntary Life, and Flexible Spending. We encourage you to take the time to educate yourself about your options and choose the best coverage for you and your family.

Open Enrollment: July 31st – August 11th

Who is Eligible?

Full-Time Employees

Medical Benefits: Team members hired as a Full-Time Employee for 30 hours or more per week and continue to work in a position that is regularly scheduled to work 30 or more hours per week.

All Other Benefits (except 401k Retirement Plan): Team members hired as a Full-Time Employee for 32 hours or more per week and continue to work in a position that is regularly scheduled to work 32 or more hours per week.

How to Make Changes?

Unless you have a qualified change in status, you cannot make changes to the benefits you elect until the next open enrollment period. Qualified changes in status include, for example: marriage, divorce, legal separation, birth or adoption of a child, change in child's dependent status, death of spouse, child or other qualified dependent, change in residence, commencement or termination of adoption proceedings, change in employment status or change in coverage under another employer-sponsored plan. You have 30 days to notify the Human Resources Coordinator (Benefits) of qualified changes and to provide documentation of the change.

Important Reminders!

Spousal Carve-Out: Integrity Educational Services implements a Spousal Carve-Out for its Medical Insurance Coverage. If your spouse is working Full-Time and is offered insurance coverage through their employer, they must accept or remain on that employer's coverage.

Legal Dependents: You may only enroll Legal Dependents under your insurance coverage. Legal Dependents include: Spouse (except when excluded by the Spousal Carve-Out), Child, Stepchild, or a Child of whom you have Legal Guardianship. Any employee found to have enrolled a person(s) who is not a legal dependent may face termination and potential legal action for Insurance Fraud from the insurance carrier(s).

✓ You may be asked to provide legal documentation.

Benefits for 2023 - 2024

Benefit Overview

Integrity Educational Services provides a complete package of benefits aimed at providing flexible insurance protection and programs to meet your ever-changing needs. Integrity Educational Services shares the cost of some benefits with you, while making additional benefits available that you pay for if you choose to enroll. The part of the benefit costs that you are responsible for will be automatically deducted from your paycheck, either before or after your taxes are calculated.

The table below summarizes the benefits available to eligible staff and their dependents. These benefits are described in greater detail in this booklet.

BENEFITS AT-A-GLANCE

Benefit	Carrier	Pre-tax or Post-tax?	Who pays the cost?
Medical/Rx	Priority Health	Pre-Tax	IES & You
Dental	Delta Dental	Pre-Tax	IES & You
Voluntary Vision	EyeMed	Pre-Tax	You
Basic Life/AD&D	Mutual of Omaha	Not Applicable	IES
Long Term Disability	Mutual of Omaha	Not Applicable	IES
Short Term Disability	Mutual of Omaha	Not Applicable	IES
Voluntary Life/AD&D	Mutual of Omaha	Post-Tax	You

WHY DO I PAY FOR SOME BENEFITS WITH PRE-TAX MONEY?

While not all benefits qualify for pre-tax contribution, there is a definite advantage to paying for those that do: Taking the money out before your taxes are calculated lower the amount of your taxable income. Therefore, you pay less in taxes.

Benefits for 2023 - 2024

Health Savings Account (HSA)

FOR 2023 – 2024 - INTEGRITY EDUCATIONAL SERVICES IS OFFERING A HEALTH SAVINGS ACCOUNT (HSA). THIS IS HOW AN HSA WORKS:

A health savings account (HSA) is a health care account and savings account in one. The main purpose of this account is to offset the cost of a qualifying high deductible health plan (HDHP) and provide savings for your out-of-pocket eligible health care expenses – those you and your tax dependents may have now, in the future, and during your retirement.

This is a “portable” account. You own your HSA! It’s included in your employee benefits package, but after you set up your account, it’s yours to keep, even if you change jobs or retire.

Once your HSA is established, money is contributed to your account by you, Integrity Educational Services or friends and family, and you can then use your HSA dollars tax-free to pay for eligible health care expenses. You save money on expenses you’re already paying for, like doctors’ office visits, prescription drugs, and much more. Best of all, you decide how and when to use your HSA dollars.

WHY IS IT A GOOD IDEA TO HAVE AN HSA?

HSAs benefit everyone who is eligible to have this account – single individuals, families, and soon-to-be retirees. You save money on taxes in three ways:

<p>› Tax-free deposits – The money you contribute to your HSA isn’t taxed (up to the IRS annual limit)</p>	<p>› Tax-free earnings – Your interest and any investment earnings grow tax-free.</p>	<p>› Tax-free withdrawals – The money used toward eligible health care expenses isn’t taxed – now or in the future.</p>
---	--	--

› Setting aside pre-tax dollars into your HSA means you pay fewer taxes and increase your take-home pay by your tax savings. You save money on eligible expenses that you are paying for out of your pocket. The amount you save depends on your tax bracket. For example, if you are in the 30 percent tax bracket, you can save \$30 on every \$100 spent on eligible health care expenses.

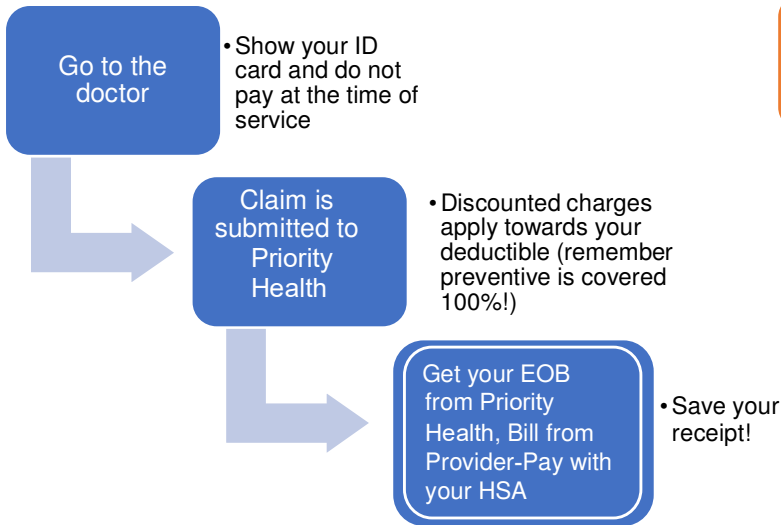

**2023 IRS Contribution Limits: Individual \$3,850/Family \$7,750
Age 55+ additional \$1,000 Catch-Up Contribution**

HSA funds roll over from year to year and accumulate in your account. There is no “use-it-or-lose-it” rule with HSAs, and you decide how and when to use your HSA funds, which can be used for eligible expenses you have now, in the future, or during retirement. And when you have a certain balance in your HSA, investment opportunities are available.

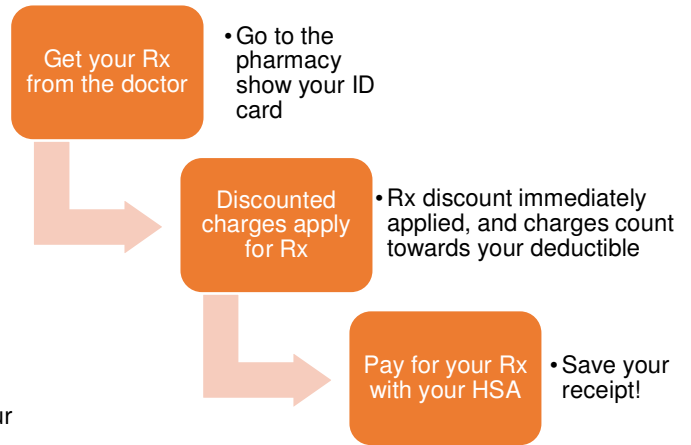

Refer to your HSA documentation for more information.

How Do Prescription Drugs Work?

Shopping for Prescriptions

Don't sacrifice your health to save money.

- Everyone has heard stories about people cutting their pills in half, reducing their dosages to every other day, or stopping their prescriptions all together. This is dangerous, especially if you're on a daily drug for asthma, diabetes, high blood pressure or other chronic condition.

Save money safely

- Ask your doctor if you can use generic drugs instead of brand-name drugs. Then, next time you drop off a prescription, ask the pharmacist if a generic is available.
- If your prescription isn't available as a generic, try contacting the drug manufacturer to ask about rebates, coupons, or other discounts.
- Make sure your prescription is covered by your prescription plan. If it's not, ask your doctor whether another drug could be equally effective. Check the approved drug list on Blue Cross Blue Shield's website.
- Use the MichiganDrugPrices.com website. It compares prices for 150 different drugs at many different pharmacies to help you find the best prices, including many medications for as little as \$4 for a 30-day supply. www.michigandrugprices.com.

Many pharmacies offer free or discounted medications. Ask your pharmacist today!

HSA Contribution

To help each team member participating in the IES medical plan, IES will assist by making contributions to the Health Savings Account (HSA).

Contributions will be made each pay date. The 2023 – 2024 IES HSA contribution will be \$52.08/single or \$104.17/family.

IES Contributions will be made to a Lake Michigan Credit Union Account depending upon your election.

If you are participating in the medical plan, then you will be eligible for the IES HSA Contribution. The IES contribution will be prorated for enrollments after the plan year begins.

If a team member has a significant medical expense early in the plan year, the team member may request an earlier contribution to the HSA account. The team member will be required to document the significant medical expense.

Team members are also able to contribute to their HSA accounts to the maximum annual contributions; \$3,850 for a single and \$7,750 for a family.

Remember that your HSA account rolls over each year.

If you are currently covered by Medicare and elect to participate in the IES medical plan, please contact the HR department to discuss your IES HSA Contribution.

Key Terms to Remember

ANNUAL DEDUCTIBLE

The amount you have to pay each year before the plan starts paying a portion of medical expenses. All family members' expenses that count toward a health plan deductible accumulate together in the aggregate; however, each person also has a limit on their own individual accumulated expenses (the amount varies by plan).

OUT-OF-POCKET MAXIMUM

This is the total amount you can pay out of pocket each calendar year before the plan pays 100 percent of covered expenses for the rest of the calendar year. Most expenses that meet provider network requirements count toward the annual out-of-pocket maximum, including expenses paid to the annual deductible*, copays and coinsurance.

*Except for Grandfathered medical plans

COPAYS AND COINSURANCE

These expenses are your share of cost paid for covered health care services. Copays are a fixed dollar amount, and are usually due at the time you receive care. Coinsurance is your share of the allowed amount charged for a service, and is generally billed to you after the health insurance company reconciles the bill with the provider.

PLAN TYPES

- › HMO – A network that requires you to select a Primary Care Physician (PCP) who coordinates your health care
- › HDHP – A plan that has higher annual deductibles in exchange for lower premiums.

The Value of Preventive Care

Wellness and Health Management

Understanding the full value of covered benefits allows you to take responsibility for maintaining good health and incorporating healthy habits into your lifestyle. Some examples include getting regular physical examinations, mammograms and immunizations.

Through the plans offered by Integrity Educational Services, all covered individuals and family members are eligible to receive routine wellness services like these, at no cost; all copays, coinsurance, and deductibles are waived.

Which Preventive Care Services Are Covered?

Below is a list of common services:

- Routine Physical Exam

Know your costs. Save on care. And get rewarded.

It's smart, and easy, with Priority Health.

Three things happen every time you use Cost Estimator to shop procedures, lab tests or office visits.

- 1 | You see your costs before you receive care.**
Before you schedule your next appointment, search for the medical service you need in Cost Estimator. Here's how:
 - Enter a procedure name and search for locations where that service is available.
 - Compare costs at those facilities in your network.
 - In some cases you can narrow your search by selecting a specific provider.
 - From the location pricing list, select a facility to see your personal out of pocket estimate.
- 2 | You save on procedures by choosing the best value options.**
Cost Estimator has saved over \$9 million in health care costs since it launched just four years ago.
- 3 | You may qualify to earn a Visa rewards card of \$50 to \$200.**
That's right. Many common procedures and tests are included in our Priority Rewards program, where we'll send you a reward for being a smart shopper. Here's how:
 - In your Cost Estimator search, choose a procedure or facility with a green trophy beside it. It looks like this: 
 - Receive that medical service at that facility within six months of your search.
 - Wait about three weeks for your Visa rewards card in the mail.
 - Use it for all kinds of items including medical services, health and wellness services, groceries and more.

Here's a breakdown of qualifying procedures that earn you a Visa rewards card.

Voluntary Term Life and AD&D Coverage Selection and Premium Calculation

Please note that the premium amounts presented below may vary slightly from the amounts provided on your enrollment form, due to rounding.

To select your benefit amount and calculate your premium, do the following:

- 1) Locate the benefit amount you want from the top row of the employee premium table. Your benefit amount must be in an increment of \$10,000. Refer to the Coverage Guidelines section for minimums and maximums, if needed.
- 2) Find your age bracket in the far left column.

- 3) Your premium amount is found in the box where the row (your age) and the column (benefit amount) intersect.
- 4) Enter the benefit and premium amounts into their respective areas in the Voluntary Life and AD&D section of your enrollment form.

If the benefit amount you want to select is greater than any amount in the table below, select the benefit amount from the top row that when multiplied by another number results in the benefit amount you want. For example, if you want \$150,000 in coverage, you obtain your premium amount by multiplying the rate for \$50,000 times 3.

How can I make changes to my policy?

You can make changes to your policy during your policy renewal period. All changes are subject to underwriting approval.

When is the policy renewal period?

The renewal period starts 60 days before the policy's current 12-month term expires. The policy's effective date and expiration date can be found on the Declarations Page, which is included with the policy packet that is mailed to you at each new term.

What happens to my pet insurance policy if I am no longer with the company?

Newborns' and Mothers' Health Protection Act Disclosure

Group health plans and health insurance issuers generally may not, under Federal law, restrict benefits for any hospital length of stay in connection with childbirth for the mother or newborn child to less than 48 hours following a vaginal delivery, or less than 96 hours following a cesarean section. However, Federal law generally does not prohibit the mother's or newborn's attending provider, after consulting with the mother, from discharging the mother or her newborn earlier than 48 hours (or 96 hours as applicable). In any case, plans and issuers may not, under Federal law, require that a provider obtain authorization from the plan or the insurance issuer for prescribing a length of stay not in excess of 48 hours (or 96 hours).

You have the right to designate any primary care provider who participates in your network and who is available to accept you or your family members. Premium Assistance Under Medicaid and the Children’s Health Insurance Program (CHIP)

If you or your children are eligible for Medicaid or CHIP and you’re eligible for health coverage from your employer, your state may have a premium assistance program that can help pay for coverage, using funds from their Medicaid or CHIP programs. If you or your children aren’t eligible for Medicaid or CHIP, you won’t be eligible for these premium assistance programs but you may be able to buy individual insurance coverage through the Health Insurance Marketplace. For more information, visit www.healthcare.gov.

If you or your dependents are already enrolled in Medicaid or CHIP and you live in a State listed below, contact your State Medicaid or CHIP office to find out if premium assistance is available.

If you or your dependents are NOT currently enrolled in Medicaid or CHIP, and you think you or any of your dependents might be eligible for either of these programs, contact your State Medicaid or CHIP office or dial **1-877-KIDS NOW** or www.insurekidsnow.gov to find out how to apply. If you qualify, ask your state if it has a program that might help you pay the premiums for an employer-sponsored plan.

If you or your dependents are eligible for premium assistance under Medicaid or CHIP, as well as eligible under your employer plan, your employer must allow you to enroll in your employer plan if you aren’t already enrolled. This is called a “special enrollment” opportunity, and you must request coverage within 60 days of being determined eligible for premium assistance. If you have questions about enrolling in your employer plan, contact the Department of Labor at www.askebsa.dol.gov or call **1-866-444-EBSA (3272)**.

If you live in one of the following states, you may be eligible for assistance paying your employer health plan premiums. The following list of states is current as of January 31, 2023. Contact your State for more information on eligibility –

USERRA Notice

Your Rights Under USERRA

A. The Uniformed Services Employment and Reemployment Rights Act

USERRA protects the job rights of individuals who voluntarily or involuntarily leave employment positions to undertake military service or certain types of service in the National Disaster Medical System. USERRA also prohibits employers from discriminating against past and present members of the uniformed services, and applicants to the uniformed services.

B. Reemployment Rights

You have the right to be reemployed in your civilian job if you leave that job to perform service in the uniformed service and:

- You ensure that your employer receives advance written or verbal notice of your service;
- You have five years or less of cumulative service in the uniformed services while with that particular employer;
- You return to work or apply for reemployment in a timely manner after conclusion of service; and
- You have not been separated from service with a disqualifying discharge or under other than honorable conditions.

If you are eligible to be reemployed, you must be restored to the job and benefits you would have attained if you had not been absent due to military service or, in some cases, a comparable job.

C. Right to Be Free from Discrimination and Retaliation

If you:

- Are a past or present member of the uniformed service;
- Have applied for membership in the uniformed service; or
- Are obligated to serve in the uniformed service; then an employer may not deny you
 - Initial employment;
 - Reemployment;
 - Retention in employment;
 - Promotion; or
 - Any benefit of employment because of this status.

In addition, an employer may not retaliate against anyone assisting in the enforcement of USERRA rights, including testifying or making a statement in connection with a proceeding under USERRA, even if that person has no service connection.

D. Health Insurance Protection

- If you leave your job to perform military service, you have the right to elect to continue your existing employer-based health plan coverage for you and your dependents for up to 24 months while in the military.
- Even if you do not elect to continue coverage during your military service, you have the right to be reinstated in your employer's health plan when you are reemployed, generally without any waiting periods or exclusions (e.g., pre-existing condition exclusions) except for service-connected illnesses or injuries.

E. Enforcement

- The U.S. Department of Labor, Veterans' Employment and Training Service (VETS) is authorized to investigate and resolve complaints of USERRA violations.

For assistance in filing a complaint, or for any other information on USERRA, contact VETS at 1-866-4-USA-DOL or visit its Web site at <http://www.dol.gov/vets>. An interactive online USERRA Advisor can be viewed at <http://www.dol.gov/elaws/userra.htm>.

- If you file a complaint with VETS and VETS is unable to resolve it, you may request that your case be referred to the Department of Justice or the Office of Special Counsel, as applicable, for representation.
- You may also bypass the VETS process and bring a civil action against an employer for violations of USERRA.

The rights listed here may vary depending on the circumstances. The text of this notice was prepared by VETS, and may be viewed on the Internet at this address: <http://www.dol.gov/vets/programs/userra/poster.htm>. Federal law requires employers to notify employees of their rights under USERRA, and employers may meet this requirement by displaying the text of this notice where they customarily place notices for employees. Model General Notice of COBRA Continuation Coverage Rights (For use by single-employer group health plans)

** Continuation Coverage Rights Under COBRA **

Introduction

You're getting this notice because you recently gained coverage under a group health plan (the Plan). This notice has important information about your right to COBRA continuation coverage, which is a temporary extension of coverage under the Plan. **This notice explains COBRA continuation coverage, when it may become available to you and your family, and what you need to do to protect your right to get it.** When you become eligible for COBRA, you may also become eligible for other coverage options that may cost less than COBRA continuation coverage.

The right to COBRA continuation coverage was created by a federal law, the Consolidated Omnibus Budget Reconciliation Act of 1985 (COBRA). COBRA continuation coverage can become available to you and other members of your family when group health coverage would otherwise end. For more information about your rights and obligations under the Plan and under federal law, you should review the Plan's Summary Plan Description or contact the Plan Administrator.

You may have other options available to you when you lose group health coverage. For example, you may be eligible to buy an individual plan through the Health Insurance Marketplace. By enrolling in coverage through the Marketplace, you may qualify for lower costs on your monthly premiums and lower out-of-pocket costs. Additionally, you may qualify for a 30-day special enrollment period for another group health plan for which you are eligible (such as a spouse's plan), even if that plan generally doesn't accept late enrollees.

What is COBRA continuation coverage?

COBRA continuation coverage is a continuation of Plan coverage when it would otherwise end because of a life event. This is also called a "qualifying event." Specific qualifying events are listed later in this notice. After a qualifying event, COBRA continuation coverage must be offered to each person who is a "qualified beneficiary." You, your spouse, and your dependent children could become qualified beneficiaries if coverage under the Plan is lost because of the qualifying event. Under the Plan, qualified beneficiaries who elect COBRA continuation coverage must pay for COBRA continuation coverage.

If you're an employee, you'll become a qualified beneficiary if you lose your coverage under the Plan because of the following qualifying events:

- Your hours of employment are reduced, or
- Your employment ends for any reason other than your gross misconduct.

Legal Notices

If you're the spouse of an employee, you'll become a qualified beneficiary if you lose your coverage under the Plan because of the following qualifying events:

- Your spouse dies;
- Your spouse's hours of employment are reduced;
- Your spouse's employment ends for any reason other than his or her gross misconduct;
- Your spouse becomes entitled to Medicare benefits (under Part A, Part B, or both); or
- You become divorced or legally separated from your spouse.

Your dependent children will become qualified beneficiaries if they lose coverage under the Plan because of the following qualifying events:

- The parent-employee dies;
- The parent-employee's hours of employment are reduced;
- The parent-employee's employment ends for any reason other than his or her gross misconduct;
- The parent-employee becomes entitled to Medicare benefits (Part A, Part B, or both);
- The parents become divorced or legally separated; or
- The child stops being eligible for coverage under the Plan as a "dependent child."

When is COBRA continuation coverage available?

The Plan will offer COBRA continuation coverage to qualified beneficiaries only after the Plan Administrator has been notified that a qualifying event has occurred. The employer must notify the Plan Administrator of the following qualifying events:

- The end of employment or reduction of hours of employment;
- Death of the employee; or
- The employee's becoming entitled to Medicare benefits (under Part A, Part B, or both).

For all other qualifying events (divorce or legal separation of the employee and spouse or a dependent child's losing eligibility for coverage as a dependent child), you must notify the Plan Administrator within 30 days after the qualifying event occurs. You must provide this notice to Leslie Cummings at lcummings@integrityedservices.org.

Legal Notices

How is COBRA continuation coverage provided?

Once the Plan Administrator receives notice that a qualifying event has occurred, COBRA continuation coverage will be offered to each of the qualified beneficiaries. Each qualified beneficiary will have an independent right to elect COBRA continuation coverage. Covered employees may elect COBRA continuation coverage on behalf of their spouses, and parents may elect COBRA continuation coverage on behalf of their children.

COBRA continuation coverage is a temporary continuation of coverage that generally lasts for 18 months due to employment termination or reduction of hours of work. Certain qualifying events, or a second qualifying event during the initial period of coverage, may permit a beneficiary to receive a maximum of 36 months of coverage.

There are also ways in which this 18-month period of COBRA continuation coverage can be extended:

Disability extension of 18-month period of COBRA continuation coverage

If you or anyone in your family covered under the Plan is determined by Social Security to be disabled and you notify the Plan Administrator in a timely fashion, you and your entire family may be entitled to get up to an additional 11 months of COBRA continuation coverage, for a maximum of 29 months. The disability would have to have started at some time before the 60th day of COBRA continuation coverage and must last at least until the end of the 18-month period of COBRA continuation coverage

Second qualifying event extension of 18-month period of continuation coverage

If your family experiences another qualifying event during the 18 months of COBRA continuation coverage, the spouse and dependent children in your family can get up to 18 additional months of COBRA continuation coverage, for a maximum of 36 months, if the Plan is properly notified about the second qualifying event. This extension may be available to the spouse and any dependent children getting COBRA continuation coverage if the employee or former employee dies; becomes entitled to Medicare benefits (under Part A, Part B, or both); gets divorced or legally separated; or if the dependent child stops being eligible under the Plan as a dependent child. This extension is only available if the second qualifying event would have caused the spouse or dependent child to lose coverage under the Plan had the first qualifying event not occurred.

If you're the spouse of an employee, you'll become a qualified beneficiary if you lose your coverage under the Plan because of the following qualifying events:

- Your spouse dies;
- Your spouse's hours of employment are reduced;
- Your spouse's employment ends for any reason other than his or her gross misconduct;
- Your spouse becomes entitled to Medicare benefits (under Part A, Part B, or both); or
- You become divorced or legally separated from your spouse.

Your dependent children will become qualified beneficiaries if they lose coverage under the Plan because of the following qualifying events:

- The parent-employee dies;
- The parent-employee's hours of employment are reduced;
- The parent-employee's employment ends for any reason other than his or her gross misconduct;
- The parent-employee becomes entitled to Medicare benefits (Part A, Part B, or both);
- The parents become divorced or legally separated; or
- The child stops being eligible for coverage under the Plan as a "dependent child."

Legal Notices

When is COBRA continuation coverage available?

The Plan will offer COBRA continuation coverage to qualified beneficiaries only after the Plan Administrator has been notified that a qualifying event has occurred. The employer must notify the Plan Administrator of the following qualifying events:

- The end of employment or reduction of hours of employment;
- Death of the employee; or
- The employee's becoming entitled to Medicare benefits (under Part A, Part B, or both).

Are there other coverage options besides COBRA Continuation Coverage?

Yes. Instead of enrolling in COBRA continuation coverage, there may be other coverage options for you and your family through the Health Insurance Marketplace, Medicare, Medicaid, [Children's Health Insurance Program \(CHIP\)](#), or other group health plan coverage options (such as a spouse's plan) through what is called a "special enrollment period." Some of these options may cost less than COBRA continuation coverage. You can learn more about many of these options at www.healthcare.gov.

Can I enroll in Medicare instead of COBRA continuation coverage after my group health plan coverage ends?

In general, if you don't enroll in Medicare Part A or B when you are first eligible because you are still employed, after the Medicare initial enrollment period, you have an 8-month special enrollment period¹ to sign up for Medicare Part A or B, beginning on the earlier of

- The month after your employment ends; or
- The month after group health plan coverage based on current employment ends.

If you don't enroll in Medicare and elect COBRA continuation coverage instead, you may have to pay a Part B late enrollment penalty and you may have a gap in coverage if you decide you want Part B later. If you elect COBRA continuation coverage and later enroll in Medicare Part A or B before the COBRA continuation coverage ends, the Plan may terminate your continuation coverage. However, if Medicare Part A or B is effective on or before the date of the COBRA election, COBRA coverage may not be discontinued on account of Medicare entitlement, even if you enroll in the other part of Medicare after the date of the election of COBRA coverage.

If you are enrolled in both COBRA continuation coverage and Medicare, Medicare will generally pay first (primary payer) and COBRA continuation coverage will pay second. Certain plans may pay as if secondary to Medicare, even if you are not enrolled in Medicare.

If you have questions

Questions concerning your Plan or your COBRA continuation coverage rights should be addressed to the contact or contacts identified below. For more information about your rights under the Employee Retirement Income Security Act (ERISA), including COBRA, the Patient Protection and Affordable Care Act, and other laws affecting group health plans, contact the nearest Regional or District Office of the U.S. Department of Labor's Employee Benefits Security Administration (EBSA) in your area or visit

www.dol.gov/agencies/ebsa. (Addresses and phone numbers of Regional and District EBSA Offices are available through EBSA's website.) For more information about the Marketplace, visit www.healthcare.gov.

Keep your Plan informed of address changes

To protect your family's rights, let the Plan Administrator know about any changes in the addresses of family members. You should also keep a copy, for your records, of any notices you send to the Plan Administrator.

Family Medical Leave Act (FMLA)

Family Medical Leave Act (FMLA)

Eligible employees who work for a covered employer can take up to 12 weeks of unpaid, job-protected leave in a 12-month period for the following reasons:

- The birth of a child or placement of a child for adoption or foster care;
- To bond with a child (leave must be taken within one year of the child's birth or placement);
- To care for the employee's spouse, child, or parent who has a qualifying serious health condition;
- For the employee's own qualifying serious health condition that makes the employee unable to perform the employee's job;
- For qualifying exigencies related to the foreign deployment of a military member who is the employee's spouse, child, or parent.

An eligible employee who is a covered servicemember's spouse, child, parent, or next of kin may also take up to 26 weeks of FMLA leave in a single 12-month period to care for the servicemember with a serious injury or illness.

Benefits & Protections

An employee does not need to use leave in one block. When it is medically necessary or otherwise permitted, employees may take leave intermittently or on a reduced schedule.

Employees may choose, or an employer may require, use of accrued paid leave while taking FMLA leave. If an employee substitutes accrued paid leave for FMLA leave, the employee must comply with the employer's normal paid leave policies.

While employees are on FMLA leave, employers must continue health insurance coverage as if the employees were not on leave.

Upon return from FMLA leave, most employees must be restored to the same job or one nearly identical to it with equivalent pay, benefits, and other employment terms and conditions.

An employer may not interfere with an individual's FMLA rights or retaliate against someone for using or trying to use FMLA leave, opposing any practice made unlawful by the FMLA, or being involved in any proceeding under or related to the FMLA.

Legal Notices

Family Medical Leave Act (FMLA)

Eligibility Requirements

An employee who works for a covered employer must meet three criteria in order to be eligible for FMLA leave. The employee must:

- Have worked for the employer for at least 12 months;
- Have at least 1,250 hours of service in the 12 months before taking leave;* and
- Work at a location where the employer has at least 50 employees within 75 miles of the employee's worksite.

*Special "hours of service" requirements apply to airline flight crew employees.

Generally, employees must give 30-days' advance notice of the need for FMLA leave. If it is not possible to give 30-days' notice, an employee must notify the employer as soon as possible and, generally, follow the employer's usual procedures.

Employees do not have to share a medical diagnosis, but must provide enough information to the employer so it can determine if the leave qualifies for FMLA protection. Sufficient information could include informing an employer that the employee is or will be unable to perform his or her job functions, that a family member cannot perform daily activities, or that hospitalization or continuing medical treatment is necessary. Employees must inform the employer if the need for leave is for a reason for which FMLA leave was previously taken or certified.

Employers can require a certification or periodic recertification supporting the need for leave. If the employer determines that the certification is incomplete, it must provide a written notice indicating what additional information is required.

Employer Responsibilities

Once an employer becomes aware that an employee's need for leave is for a reason that may qualify under the FMLA, the employer must notify the employee if he or she is eligible for FMLA leave and, if eligible, must also provide a notice of rights and responsibilities under the FMLA. If the employee is not eligible, the employer must provide a reason for ineligibility.

Employers must notify its employees if leave will be designated as FMLA leave, and if so, how much leave will be designated as FMLA leave.

Enforcement

Employees may file a complaint with the U.S. Department of Labor, Wage and Hour Division, or may bring a private lawsuit against an employer.

The FMLA does not affect any federal or state law prohibiting discrimination or supersede any state or local law or collective bargaining agreement that provides greater family or medical leave rights.

Medicare Part D

Important Notice from Integrity Educational Services About Your Prescription Drug Coverage and Medicare

Please read this notice carefully and keep it where you can find it. This notice has information about your current prescription drug coverage with Integrity Educational Services and about your options under Medicare's prescription drug coverage. This information can help you decide whether or not you want to join a Medicare drug plan. If you are considering joining, you should compare your current coverage, including which drugs are covered at what cost, with the coverage and costs of the plans offering Medicare prescription drug coverage in your area. Information about where you can get help to make decisions about your prescription drug coverage is at the end of this notice.

There are two important things you need to know about your current coverage and Medicare's prescription drug coverage:

1. Medicare prescription drug coverage became available in 2006 to everyone with Medicare. You can get this coverage if you join a Medicare Prescription Drug Plan or join a Medicare Advantage Plan (like an HMO or PPO) that offers prescription drug coverage. All Medicare drug plans provide at least a standard level of coverage set by Medicare. Some plans may also offer more coverage for a higher monthly premium.
2. Integrity Educational Services has determined that the prescription drug coverage offered by Priority Health is, on average for all plan participants, expected to pay out as much as standard Medicare prescription drug coverage pays and is therefore considered Creditable Coverage. Because your existing coverage is Creditable Coverage, you can keep this coverage and not pay a higher premium (a penalty) if you later decide to join a Medicare drug plan.

When Can You Join A Medicare Drug Plan?

You can join a Medicare drug plan when you first become eligible for Medicare and each year from October 15th to December 7th. However, if you lose your current creditable prescription drug coverage, through no fault of your own, you will also be eligible for a two (2) month Special Enrollment Period (SEP) to join a Medicare drug plan.

What Happens To Your Current Coverage If You Decide to Join A Medicare Drug Plan?

If you decide to join a Medicare drug plan, your current Integrity Educational Services coverage not be affected. You can keep this coverage if they elect Part D and this plan will coordinate with Part D coverage. See pages 7- 9 of the CMS Disclosure of Creditable Coverage To Medicare Part D Eligible Individuals Guidance (available at <http://www.cms.hhs.gov/CreditableCoverage>), which outlines the prescription drug plan provisions/options that Medicare eligible individuals may have available to them when they become eligible for Medicare Part D.

If you do decide to join a Medicare drug plan and drop your current Integrity Educational Services coverage, be aware that you and your dependents will be able to get this coverage back.

Legal Notices

When Will You Pay A Higher Premium (Penalty) To Join A Medicare Drug Plan?

You should also know that if you drop or lose your current coverage with Integrity Educational Services and don't join a Medicare drug plan within 63 continuous days after your current coverage ends, you may pay a higher premium (a penalty) to join a Medicare drug plan later. If you go 63 continuous days or longer without creditable prescription drug coverage, your monthly premium may go up by at least 1% of the Medicare base beneficiary premium per month for every month that you did not have that coverage. For example, if you go nineteen months without creditable coverage, your premium may consistently be at least 19% higher than the Medicare base beneficiary premium. You may have to pay this higher premium (a penalty) as long as you have Medicare prescription drug coverage. In addition, you may have to wait until the following October to join.

For More Information About This Notice Or Your Current Prescription Drug Coverage...

Contact the person listed below for further information. **NOTE:** You'll get this notice each year. You will also get it before the next period you can join a Medicare drug plan, and if this coverage through Integrity Educational Services changes. You also may request a copy of this notice at any time.

For More Information About Your Options Under Medicare Prescription Drug Coverage...

More detailed information about Medicare plans that offer prescription drug coverage is in the "Medicare & You" handbook. You'll get a copy of the handbook in the mail every year from Medicare. You may also be contacted directly by Medicare drug plans. For more information about Medicare prescription drug coverage:

- Visit www.medicare.gov
- Call your State Health Insurance Assistance Program (see the inside back cover of your copy of the "Medicare & You" handbook for their telephone number) for personalized help
- Call 1-800-MEDICARE (1-800-633-4227). TTY users should call 1-877-486-2048.

If you have limited income and resources, extra help paying for Medicare prescription drug coverage is available. For information about this extra help, visit Social Security on the web at www.socialsecurity.gov, or call them at 1-800-772-1213 (TTY 1-800-325-0778).

Remember: Keep this Creditable Coverage notice. If you decide to join one of the Medicare drug plans, you may be required to provide a copy of this notice when you join to show whether or not you have maintained creditable coverage and, therefore, whether or not you are required to pay a higher premium (a penalty).
